

# 2018–2019 METROPOLITAN CHORALE

Lisa Graham, Music Director

## Messa da Requiem Giuseppe Verdi

**November 11 • 2:00 p.m.**  
**Jordan Hall, Boston**

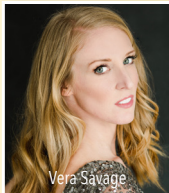

The combined voices of the Metropolitan and Commonwealth Chorales present Verdi's titanic masterpiece. The 180-voiced chorus performs under the baton of Lisa Graham in New England Conservatory's Jordan Hall.

## The Creative Impulse Lisa Graham

**March 10 • 3:00 p.m.**  
**All Saints Parish, Brookline**

"Musical innovation is full of danger to the State, for when modes of music change, the fundamental laws of the State always change with them." – *Plato, The Republic*  
The Metropolitan Chorale explores historical and contemporary moments when music has given voice to change. Audience members will have an opportunity to lend their own voices to the experience. WGBH's Jim Braude and Margery Eagan join us as narrators for this program.

WGBH's Margery Eagan  
& Jim Braude

## The Unicorn, the Gorgon, and the Manticore Gian Carlo Menotti

## A Medieval Bestiary R. Murray Schafer

**May 4 • 8:00 p.m.**  
**First Church, Cambridge**

Experience fantastical creatures come alive in our collaboration with the Puppet Showplace Theater of Brookline. These rarely-performed works showcase great stylistic range, delightful characters, and thought-provoking commentary on social convention.
